

SWASH (St Werburgh's After School Hours)

SWASH Club is available Monday to Friday from the end of the school day to 6pm. The session costs £10 per child and there is an annual registration fee per child of £20.

The children participate in a range of activities including arts, crafts, computers, role play, construction, board games, puzzles etc etc. The children can also use the outside space offering a large range of play opportunities.

This is a very popular provision and most days of the week are fully booked. If you are interested in using this childcare provision then please talk to Hollie Ganly who is the Play Leader or school office.
