

# Home School Agreement

2020-2021

## Together Towards Excellence

At St Werburgh's Primary we aim to ensure that all children leave our school at the end of Year 6 with a love of learning. That they are confident communicators and that they are secure in their sense of self and belonging.

Our school is a special place and we invest in the members of our community:

We have **high aspirations** for all children and encourage our children to have high aspirations for themselves.

We **respect** the right of all children to learn and consider ourselves privileged to be responsible for enabling this. We **respect** each other and the environment in which we work.

We forge strong and supportive **partnerships** with parents and carers and with each other.

We celebrate the beliefs of others and the cultural **diversity** of our school community.

We are **resilient** and willing and able to learn from our mistakes.

**Kindness** is very important to us and underpins all that we do.

We are **energetic** and **enthusiastic** in our participation and work together to uphold and protect our vision and values.

In order to live out our values we commit to ensuring a broad, inclusive, curriculum with a wide variety of opportunities and experiences so that all children can find their interests and talents and pursue their own curiosities.
